

WE THINK IT'S A RASH OR PSORIASIS, DERMATITIS OR SKIN CANCER

Dear Member,

Imagine you receive bad news at the doctor's office – you are seriously ill. The scary questions arise: Is the diagnosis correct? Will the treatment be right? Now, you have the ability to ensure you get the right answers without ever leaving your home. Best Doctors is a free and confidential service available to you by your benefit provider. Through the Best Doctors Check-up™ service, you have access to world-renowned expert physicians who will work on your case to make sure your diagnosis and treatment are on target. The result could save your life.

THE BEST DOCTORS CHECK-UP.

To send your diagnosis through our Best Doctors Check-up, simply call Best Doctors at **1-866-904-0910**. One of our nurses is waiting to answer any questions about your current medical situation or our program.
